LIVE MARKETS S&P 500 puts another record-high close under the tree

12 minute read

Reuters

With this, the S&P 500 ([.SPX](#)) closed at a fresh-record high of 4,725.79, surpassing its Dec. 10 high-close of 4,712.02. This marks its 68th record-high close so far this year. There were 35 in 2019 and 33 in 2020. The average over the last 10 years (2011-2020) is 28.

The 68 record finishes so far this year is the most since 77 in 1995, which is the all-time yearly record for SPX closing highs.
