After the stock market's tumble this past week, investors probably feel like Warriors star Stephen Curry in 2020 asking what else could possibly go wrong. The S&P 500 [SPX +0.22% ▲](#) dropped 5.8%, its worst weekly decline since March 2020, while the Dow Jones Industrial Average [DJIA -0.13% ▼](#) and the Nasdaq Composite [COMP +1.43% ▲](#) both fell 4.8%.
