A Majority of S&P 500 Stocks Are up This Year as Market Breadth Improves

By *Jack Pitcher*, Reporter

...

A handful of top technology companies have been responsible for most of the S&P 500's gains this year. That started to change in June.

This month, 417 S&P 500 companies are trading higher, according to Howard Silverblatt, senior index analyst at S&P Dow Jones Indices. A majority of S&P 500 companies, 281, are now higher for the year.
