### **S&P 500, Nasdaq Fall for Second Straight Week**

...

The dog days of summer haven't been so kind to investors so far.

The S&P 500 and Nasdaq Composite fell for the second week in a row. The Dow Jones Industrial Average bucked the trend, ending the week higher.

Investors are digesting the fallout from the latest CPI inflation data, its impact on the wider economy, and how it will affect the Federal Reserve's rate-setting policy.
