S&P 500 Joins Nasdaq in Correction Territory

By [Connor Smith](#)

The S&P 500 joined the Nasdaq Composite in correction territory on Friday. Both indexes are on track for their worst October since 2018.

The S&P 500 fell 0.5%, closing more than 10% below a recent high of 4,588.96. The Nasdaq Composite and Nasdaq 100 entered correction territory on Wednesday and Thursday, respectively.

The Dow Jones Industrial Average fell more than 360 points, or 1.1%.
