Trump Ends Talks With Canada, Warns of Tariffs By Next Week After U.S. and China Hammer Out Rare Earth Pact

By [Reshma Kapadia](#) [Follow](#) and [Elsa Ohlen](#) [Follow](#)

Updated June 27, 2025 2:06 pm EDT / Original June 27, 2025 7:16 am EDT

...

Trump administration officials have recently softened the focus on the self-imposed July 9 deadline for deals. On Friday, Treasury Secretary Scott Bessent told Fox Business he hoped to have trade wrapped up by Labor Day and described the latest pact with China as de-escalatory.
