# Is the Stock Market Overvalued? We're About to Find Out.

By [Martin Baccardax](#) [Follow](#)

Updated Sept 22, 2025 4:25 pm EDT / Original Sept 22, 2025 10:41 am EDT

...

U.S. stocks are trading at new heights. They're also asking investors to pay the most for future earnings in more than two decades, adding a new element of risk to the market's rally.
