October Inflation, Jobs Data May Never Be Released: White House

By AFP - Agence France Presse

Nov 12, 2025 2:36 pm EST

...

Official US data on how consumer inflation and the jobs market fared in October may never be published, the White House said Wednesday, citing the longest government shutdown in the country's history.

...

The central bank taps federal data releases -- among others -- as officials mull the appropriate timings to raise and lower interest rates.
