...

And yes, it's tough out there. While the [Dow Jones Industrial Average](#) ↓ **DJIA -1.73%** declined just 0.9% this week, it is officially in correction territory, as is the [Nasdaq Composite](#) ↓ **COMP -2.15%**, which slumped 3.2%. The [S&P 500 index](#) ↓ **SPX -1.67%** fell 2.1%. Not even an extension of President Donald Trump's deadline to attack Iran's power grid could help the market find support.
