The cease-fire announced on Tuesday led to the best day for the stock market in almost exactly a year. The [Nasdaq Composite](#) \uparrow **COMP +0.35%**, which closed up 4.7% on the week, has already exceeded its prewar levels. The [S&P 500 index](#) \downarrow **SPX -0.11%**, up 3.6%, and the [Dow Jones Industrial Average](#) \downarrow **DJIA -0.56%**, up 3%, are both nearing those milestones—and their all-time highs.
