Dow Ends Worst Week Since March. Ugliness Spreads Beyond Tech.

By [Naomi Buchanan](#)

What's shaped up to be a rough week on Wall Street has come to an end, leaving traders with lots of red on their screens.

... -----

All three major indexes ended the week lower. The Dow marked its worst weekly performance since the end of March, when the market saw Iran war lows, according to Dow Jones Market Data. The S&P 500 and the Nasdaq fell 1.5% and 2.8% for the week, respectively.

...

The reignited war in Iran has also caused jitters among investors this week, sending oil prices higher and fueling inflation concerns.
