Weak End. Stocks sold off on Friday, but thanks to a lot of investor rotation, the market ended the week higher than it started.

The **Nasdaq Composite** fell 0.9% on Friday while the **S&P 500** dropped 0.4%. Both indexes recorded a weekly gain, up 2.3% and 2.5%, respectively. The **Dow Jones Industrial Average** rose 0.1%, or 50 points today, up 2.1% on the week.
